Praise Party: Worshiping God with Head, Heart, Hands, Feet, & SOUL!!

www.abingdonpressvbs.com

Praise Party is a heritage-based Christian education curriculum created to have participants celebrating the saving grace of Jesus Christ with head, heart, hands, feet and soul. Through Bible study, crafts, skits, movement, contemporary music and well-loved hymns and songs of the black church, *Praise Party* aims to create passionate worship that truly makes disciples for Jesus Christ.

Day One: Willing Hands—The Hebrews offer gifts to God (Ex. 35:4-10a, 22, 25-26; 36:2-3a). Day Two: Stomp—David and the Hebrews praise God by dancing (1 Chr. 13:1-8). Day Three: Stand Up Straight in Praise—Jesus heals a bent-over woman (Luke 13:10-17). Day Four: Breakthrough—When Paul and Silas pray and sing, a jailer's household receives salvation (Acts 16:25-34). Day Five: Sing a Song—Instructions on a Spirit-filled life (Eph. 5:15-20).

The *Praise Party* timeline brings all generations together to create an attractive, decorative and informative poster utilizing art and images to outline major points in music, religious and black history. ANSWERS IN GENESIS

The Egypt File: Decoding the Mystery of Life

www.answersvbs.com

In *The Egypt File: Decoding the Mystery of Life*, kids ages 2-12 explore the marvels of ancient Egypt, following Bible clues that lead them to discover they were specially created by God for the purpose of loving and serving Him. The need for salvation in Jesus is clearly communicated.

Teaching points with crafts, snacks and games reinforce the day's lesson, with songs helping kids easily remember the daily phrases. Design Time teaches that God wonderfully designed our bodies and He doesn't make mistakes.

The ongoing daily drama captures children's attention in a mysterious adventure set in a big new Cairo museum. Children are encouraged to praise their Creator because, as the theme verse notes, they are "fearfully and wonderfully made" (Psalm 139:14).

AUGSBURG FORTRESS
Baobab Blast: God's Great Get-Together
www.thevbsplace.org

This year's VBS program takes place under the shade of the baobab, a gigantic tree found in Africa that creates its own ecosystem by providing basic life needs like

leaves, nectar, fruit and bark for many different creatures.

The baobab tree serves as a meeting place for people to gather, discuss and share stories, and *Baobab Blast* is an invitation to be a part of "God's Great Get-Together," as kids will have the opportunity to hear the Word of God, be amazed at His wildlife creations and be part of a supportive community.

The consistent message in the VBS program is God's unconditional love. Each activity helps kids understand how to build nurturing relationships with God, family and others. And when they participate in the mission project, Africa Jam, they learn how to help expand God's community.

During the program, Bible stories create the framework for the day, lead discussions about faith, help participants develop relationships and guide them to realize their full potential as members of God's community. In addition, kids are encouraged to take the Bible messages home and spread the Word.

Daily Themes: Day One: Trust (Gen. 12:1-9), God calls Abraham; Memory verse: Ps. 37:5; Critter: Faye the zebra; Community Connection: "We trust God to guide and lead us." Day Four: Care (Luke 10:25-37), The Good Samaritan; Memory verse: Jer. 17:16; Critter: Sam the meerkat; Community Connection: "We care for others." CONCORDIA PUBLISHING HOUSE

Planet Zoom: Where Bold Bee-lievers Zip, Zap & Zoom for Jesus
<http://cph.org/planetzoom>

Concordia Publishing House will be launching *Planet Zoom: Where Bold Bee-lievers Zip, Zap & Zoom for Jesus*. The core concept behind the adventures on Planet Zoom—a bee hive, where all the characters are bees—is that little is big. Just as each little bee has a job to do to help build up the hive, *Planet Zoom* teaches kids that

they have an important role to play in God's kingdom—they can share the life-saving message of Jesus' love outpoured on the cross.

The goal of *Planet Zoom*—theme verse Eph. 5:1-2—is to empower kids to go out from VBS and share Jesus' love with others. Students will zip in for VBS, zap into God's Word and zoom out to share Jesus' love.

This year, there is separate curriculum for preschoolers, elementary students, middle school students and high school/adults. Each is centered around the *Planet Zoom* theme and reviews the same Bible lesson on the same day.

Day One: Biz-z-z-y Bee-lievers. Luke 2:41-52, Jesus, our Savior, came to seek and save the lost. Day Two: An Unbee-lievable Meal. John 6:1-15, Jesus, our Savior, does big things. Day Three: Amaz-z-zing Care. Mark 5:21-43, Jesus, our Savior, says, "Believe!" Day Four: A New Bee-ginning. Matt. 27:62-28:20, Jesus, our Savior, tells us to go and tell. Day Five: Bee Free in Jesus. Acts 12:1-19, Jesus, our Savior, works through His people.

Multimedia components include a preview DVD with a program overview, recruitment commercials, decorating segment, "Hosting a Great VBS!" presentation and mission project overview. *Bee Boppin' Tunes* is a two-CD set, one disc with music tracks and lyrics and accompaniment only. The second CD has pre-made PowerPoint lyrics slides.

This year the leaders' guides have been made more straightforward and the teaching responsibility has been divided into specific sites—such as crafts, storytelling, snacks, Bible challenge and games—with each day having a separate leaflet leader guide.

The starter kit includes: director guide, overview and training DVD, mission project overview, *Bee-Boppin' Tunes* CD, music guide, opening and closing materials, Bible challenge, Bible storytelling, crafts guide, games guide, snack ideas, skit book, youth guide, preschool guide. Also samples of preschool leaflets, elementary leaflets, youth book, postcards, door hangers and other publicity items, Zip Flips keepsake collectible, Bold Bee-liever dog tag, Bold Bee-liever body art, Bee Bopper headband, maraca zap stick.

The super value starter kit includes the above, plus the Scout bee puppet, Zip Zap Zoom balloons, memory verse posters and *Planet Zoom* decorating posters.

using just a few volunteers.

The fun and interactive eight-lesson parables are flexible enough to be used for a

summer curriculum, VBS or as the basis for summer camp. Through *Live it Out*, students take in the stories Jesus told and then live them out in their homes, schools and churches. Jesus' parables are shared in the midst of fun, food, games and worship.

Church staff/leaders often spend countless hours coordinating summer camp or VBS. *Live it Out* brings all the necessary elements together in one package to help quickly and effectively organize a summer program. Because *Live it Out* is designed to require a minimum amount of resources for the church to purchase—such as ingredients for snacks and crafts—additional items not for sale.

The kit includes: DVD video segments, dramas, live lyrics video for worship, promotional clips, music CDs, customizable PDFs (posters, postcards, bulletin inserts, volunteer sign-up cards, volunteer organizational chart, registration card, certificate), small group notes, music transitions, host scripts, Bible story scripts and more.

KREMER PUBLICATIONS

Let's Build an Ark
www.kremerpublications.com

This preschool-to-adult program is based on Heb. 11:7, "By faith Noah built an ark to save his family." As with all Kremer courses, *Let's Build an Ark* is completely

reproducible and can be purchased on CD-ROM or sent directly to bookstore customers via the Internet.

The curriculum—which includes a specially written musical—is designed for churches of all sizes, and is especially wel-

comed by churches with strained budgets. All story lessons appear on the disc in both the King James Version and the New International Version.

One of the main features is a 6-foot ark model that the students construct as a group project. The cardboard ark is included in the course price. Churches that order via the Internet have the ark shipped to them at no additional cost.

Kremer courses are easily sold on store Web sites. The company provides stores with product logos, package artwork or any other graphics needed. Stores do not need to carry stock on hand, but forward orders to be drop-shipped directly to the church customer.

Each day in *Let's Build an Ark*, students get a visit by Noah and his family who talk about their experience building the ark and living during the Flood. Day One: Noah, God is just. Day Two: Shem, Ham and Japheth, God is good. Day Three: Noah's wife, God is our guide. Day Four: Noah, God cares. Day Five: Noah, God keeps His promises.

VBS 2010: ONLINE EXTRA

►CONTINUED, from 7

Through *Hero Headquarters: Where Kids Join Forces with God!* kids will identify with the stories of unlikely, unnamed people in the Bible who are often overlooked. These people were not famous leaders or called by God to perform amazing miracles—yet they became heroes because their small acts became great achievements in God's hands.

Based on 1 Tim. 4:12, the program aims to help students discover that with God's power at work, they, too, can be heroes right where they are.

The field-tested lessons and activities work in classroom settings or with children

grouped in small crews that move from site to site. The program is adaptable for preschoolers through teens. In addition, small group materials for adults are also available.

Materials include downloadable resources and Web-based tools, in addition to CDs of everything from name tags to thank you notes, and from music song sheets to snack recipes.

The starter kit includes director's resources plus sample site leader's guides and teacher and student materials. The power pak includes all items in the starter kit, plus the costume pak, theme pak, art and decorating CD, *Life Focus* poster pak, site names poster pak and *Kid Views* DVD.

Participating churches will be given the opportunity to create their own customized VBS Web sites with unique URLs—even for those churches that do not have a Web site of their own. Using a Web-site builder, a church can upload photos, logos and forms to customize its site.

In addition to providing information about an upcoming VBS, the site can streamline registration by allowing participants to register online and also provides an opportunity for participants to obtain documents such as medical release forms, permission slips and emergency contact forms. The free Web site resources include registration materials, plus craft supply and snack calculators for planning.

At www.vacationbibleschool.com, VBS leaders will find additional helps, free downloads of MP3 files of VBS music, and a forum for churches to share experiences, tips and even their gently used décor, costumes and sets. These tools are in addition to other helps such as a director's guide, a decorating pak and a planning DVD for promotion.

URBAN MINISTRIES

Step Up and Go Green for Jesus!
www.urbanministries.com

Step Up and Go Green for Jesus! seeks to encourage youth and adults toward good stewardship of everything that God has given.

For preschoolers to adults, the theme verse is Ps. 24:1, "The earth is the Lord's and everything in it, the world, and all who live in it." The program seeks to challenge and motivate participants towards a positive course of action, first giving God glory as the Creator of the Earth, and second, taking the mantle of stewardship over Creation.

Day One: Believe God! God created the Earth—Gen. 1:1, 3, 11-12, 21, 25. Day Two: Take Care! God commanded man to take care of the Earth—Gen. 2:7-9, 15-17. Day Three: Trust God! God took care of Noah, his family and all the animals—Gen. 8:6-12, 15-17. Day Four: Drink Up! God provided water for the Israelites—Ex. 17:1-6. Day Five: Bless Others! Boaz blessed Ruth and Naomi—Ruth 2:2-3, 14-18. Day Six: Eat Right! Daniel and his friends chose to eat the right foods—Dan. 1:5, 8-15. Day Seven: Praise God! All creation praises God—Ps. 8:1-9. Day Eight: Work Hard! Workers receive same wages regardless—Matt. 20:1-10. Day Nine: Wise Up! The five wise virgins—Matt. 25:1-12. Day Ten: Get Ready! A new heaven and new earth—Rev. 22:1-7.

The planning kit includes: director's plan book, instructional DVD, four teacher's guides (preschool-teen), four student
